IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials:_____Date: _____
Only initial after you have had sufficient time to read and understand the information.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

STUDENTS RIGHT TO CANCEL & REFUND POLICY

Student's notice of cancellation must be in writing, and that withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to, a student's lack of attendance. IPS Nationwide shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars ($250), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later. Refunds will be made within thirty (30) days of official withdrawal or thirty (30) days of determination of withdrawal if the student does not officially withdraw.

For purposes of determining a refund, a student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn in accordance with the withdrawal policy stated in this institution's catalog.

You have the right to cancel your enrollment agreement and obtain a refund of charges paid through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment agreement, whichever is later. YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning the school or by not coming to class.

For official cancellations the cancellation date will be determined by the postmark on written notification at the following address: Attention: Student Services IPS Nationwide, 1911 Carnegie Avenue Santa Ana, CA 92705, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.

If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 10 days of the student's withdrawal or cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Any monies due the student shall be refunded within 45 days of official cancellation or withdrawal.
